Habitat Happenings

Hello Habitat Friends,

The season of change is upon us and as the leaves begin to fall, we quietly have time to reflect before the hustle bustle of the holidays. Taking the time to reflect during the autumn can always be productive, positive, pleasant, and peaceful. We at Blue Water Habitat for Humanity are reflecting on the current build we are completing, working with home repairs for veterans, navigating ReStore sales and donations. We of course partner on many things in our community such as repair work with other nonprofits, Rock the Block, the Chamber Non-Profit Educational Series, and the upcoming Multicultural Celebration on October 11th, (see the informational flyer included in this newsletter). We are always busy; it is who we are and what we thrive on. Taking time to look at what we are doing, what we have accomplished and what's ahead is both comforting and empowering.

I would be remiss if I didn't take the time to mention our upcoming Fall Fundraiser on November 14th at McMorrان. The evening will be a fun, inspiring and entertaining time. There will be great food, raffles, awards and of course a comedic, inactive dinner theatre presentation performed by Werth Productions & Consulting. Tickets are \$65, and there are sponsorships available. Join us for a fun time, while raising funds for your favorite nonprofit.

We wish for you a Fall filled with sunny days, great seasonal colors, apple cider, pumpkins, crisp air, and the blessed renewal of all things.

Ernest

Rock the Block was a huge success this year. Thank you to the over 100 volunteers, all our sponsors and of course a big thank you to our major partner Blue Water Area Chamber. We were able to serve a large neighborhood, surrounding Haynes Park and many families.

This summer has been go, go, BWHFH. Our current build is coming along fabulously at 1130 Lapeer. The Kilbourne Family along with dedicated volunteers have spent the summer diligently building this future home.
